- **Crazy Time:** Appears 1 time on the wheel.

The Top Slot Feature

Before every single spin of the primary wheel, a small two-reel fruit machine located above the main wheel spins simultaneously.

- **How it Works:** The left reel displays among the betting choices (numbers or bonus offer video games), while the best reel shows a multiplier (varying from 2x up to 50x).
- **The Result:** If the symbol on the left reel matches the outcome of the main wheel spin, the multiplier is used to that win. If it points to a reward video game, the multiplier uses to all multipliers inside that particular perk round.

Diving Into the Four Crazy Time Bonus Rounds

The real magic of the game happens when the wheel lands on one of the 4 benefit segments. Gamers who have actually placed a bet on that particular bonus offer round are transferred to a secondary video game screen, where enormous multipliers wait for.

1. Coin Flip

The simplest of the four reward rounds. A coin with a red side and a blue side is flipped by a device. Before the flip, random multipliers are assigned to both sides of the coin. Whichever side lands deal with up figures out the gamer's payout.

- **Perk feature:** If multipliers are low, a "Rescue Flip" can in some cases be set off, providing gamers another possibility at greater rewards.

2. Money Hunt

Gamers exist with an enormous interactive screen displaying a shooting gallery with 108 random multipliers concealed behind numerous symbols (like a cactus, target, or constable's badge).

- **The Gameplay:** Players use a virtual cannon to aim and shoot at one symbol before a countdown timer expires. When the timer ends, all symbols expose their surprise multipliers, and the gamer is awarded the multiplier they strike.

3. Pachinko

Inspired by the conventional Japanese arcade game, Pachinko features a large wall filled with physical pegs.

- **The Gameplay:** The live host drops a puck from the top of the wall. As the puck waterfalls downward, it bounces randomly off the pegs before landing in one of a number of multiplier zones at the bottom. If the puck arrive at a "DOUBLE" zone, all multipliers on the board double, and the puck is dropped once again.

4. Crazy Time

The supreme bonus offer round. Players walk through a red door into a surreal, virtual world including a huge, 64-segment mega wheel.

- **The Gameplay:** The player (or the host, depending on the game variation) picks one of three flappers (Green, Blue, or Yellow). The wheel is spun, and whatever multiplier the selected flapper indicate is granted. Like Pachinko, this wheel likewise features "DOUBLE" and "TRIPLE" sections, permitting lucky players to set off astronomical wins approximately the game's cap of 20,000 x.

Tips and Strategies for Playing Crazy Time

While Crazy Time is basically a video game of chance determined by a Random Number Generator (RNG) and physical physics, players often utilize various strategies to manage their bankroll and make the most of home entertainment.

- **The Conservative Approach (Number Betting):**
 - Focus mainly on wagering numbers 1 and 2, which make up a big portion of the wheel. This strategy yields regular, smaller sized wins, keeping the bankroll steady and extending playtime.
- **The Balanced Approach (Covering Bonuses):**
 - Spread little bets across all 4 reward rounds while occasionally backing number 10. This ensures eligibility for the high-paying reward video games without draining funds too quickly.
- **The High-Volatility Approach (Bonus Hunting):**
 - Place bets solely on the reward rounds (Cash Hunt, Pachinko, Crazy Time, Coin Flip). This style requires perseverance and a larger bankroll, as droughts can take place, however it uses direct access to the game's highest potential payments.

Finest Practices for Responsible Gaming

1. **Set a Budget:** Decide on a repaired total up to invest before starting the game and never chase losses.
2. **Understand the RTP:** Keep in mind that perk bets normally have a slightly lower RTP than basic number bets, implying they are higher risk, higher benefit.
3. **Take pleasure in the Show:** Treat the betting expense as the cost of admission to an interactive game program. The main objective must constantly be home entertainment.
