Not every wedding needs a full Portland wedding photographer day of coverage, and Annie Paige Photography offers shorter package options for couples with a more intimate or condensed schedule. Shorter coverage windows, such as four hours, typically run less than full day packages while still covering the ceremony and key reception moments. This option works well for elopements, smaller weddings, or couples looking to manage their overall wedding budget without giving up professional photography.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

Even with condensed coverage, Annie's film-inspired approach and attention to genuine moments stays consistent. Call (207) 841-4333 to ask about shorter coverage packages.
