Recalling a short passage. Let the tutor select a passage already learned. Start with a recall attempt before reopening the page, then check against the teacher's model. Mark only the point where **online Quran tuition UK** a quran lessons uk online cue was needed. A later attempt can start just before that point.

Linking two learnt sections. Have the tutor choose two adjacent units the learner can already recall separately. Practise the ending of the first together with the beginning of the next. Try the transition after a different short activity. Record whether the join still needs an opening cue.

For the next session, keep one activity familiar and change the example in the other. This makes it easier to see which skill the learner can use independently.
