The Four Bonus Rounds Explained

The primary appeal of Crazy Time lies in its 4 reward rounds. These mini-games provide the greatest multipliers and the most visually appealing gameplay.

1. Coin Flip

The easiest of the bonus offer rounds. A coin with a red side and a blue side is flipped by a maker. Before the flip, random multipliers are appointed to each side. Whichever side lands deal with up awards the gamer that corresponding multiplier.

2. Cash Hunt

Players deal with a massive screen showing 108 random multipliers concealed behind different shooting targets (like cacti, targets, and hats). Using a virtual cannon, the player selects one target, and the concealed multiplier is revealed and used to their bet.

3. Pachinko

Motivated by the standard Japanese arcade video game, a radiant puck is dropped from the top of a large board filled with pegs. The bitz.io puck bounces down and lands in one of the landing zones at the bottom, each featuring a multiplier. If it arrive on a "Double," all multipliers on the board double, and the puck is dropped once again.

4. Crazy Time

This is the holy grail of the game. Players enter a virtual, surreal world behind a red door, greeted by an even bigger giant wheel. Gamers must pick among three flappers (Green, Blue, or Yellow). The wheel spins, and wherever the picked flapper stops identifies the reward. Multipliers can rise to **20,000 x**.

Top Betting Strategies for Crazy Time
