Phase of Process Requirement Duration Description **Test Completion** Day of test Candidates end up the speaking, composing, reading, and listening modules on a protected computer. **AI Scoring & & Quality Check** 1 to 2 business days Pearson's automated scoring engine examines the test. A secondary review might occur if anomalies are flagged. **Score Report Availability** Usually within 48 hours Candidates receive an e-mail notification mentioning their Score Report is ready in their Pearson account.

As shown above, many candidates get their results within 48 hours of finishing the test. Nevertheless, "fast" is relative when a visa deadline is looming tomorrow.
