Coordinating photos for a large bridal party takes practice, and Annie Paige Photography has experience wrangling big groups without losing the day's momentum. Efficient posing and clear direction help move a large group through formal photos quickly, leaving more time for candid moments later. A second shooter, often Annie's husband Sapati, adds extra coverage when a bridal party or family group is especially large.

Annie Paige Photography | 59 State St, Portland, ME 04101 ***Portland engagement and wedding photographers*** | (207) 841-4333

This kind of group management has been refined across more than one hundred weddings. Call (207) 841-4333 to plan photography for a large wedding party.
