FAQ About Dumpster Rental

How long can I keep a dumpster rental in Seattle?

Most dumpster rental companies in Seattle allow you to keep the dumpster for up to 7-14 days. You can often extend the rental period for an additional fee, but it's best to confirm specific terms with the rental provider.

What items are prohibited in a dumpster rental?

Prohibited items in dumpster rentals typically include hazardous materials like chemicals, batteries, tires, and appliances. Always check with your rental company for a complete list of restricted items to avoid extra charges.

How do I choose the right size dumpster for my project?

Choosing the right size dumpster involves estimating the volume of waste you'll generate. Common sizes include 10, 20, and 30 yards, with larger sizes suitable for major renovations or construction projects. Consult with the rental company for guidance.

Can I place a dumpster in the street in Seattle?

In Seattle, placing a dumpster on the street typically requires a permit from the city. It's important to check local regulations and obtain any necessary permits to avoid fines or complications during your project.
