Driving License Application Poland: The Ultimate Step-by-Step Guide

Protecting a driving license in Poland (*Prawo Jazdy*) is a structured procedure that opens up tremendous flexibility, whether for browsing busy city streets or exploring the attractive Polish countryside. For both Polish citizens and foreign residents, acquiring a license requires navigating a particular administrative path.

While the system is understood for being extensive and well-organized, it can feel daunting for newbies. This detailed guide breaks down whatever a candidate requires to know about *kartaxpresspoland* the driving license application procedure in Poland, from initial documentation to passing the final state examination.

1. Who Can Apply for a Driving License in Poland?

Before delving into the documents, applicants should guarantee they fulfill the legal residency and age requirements set by Polish law.

- **Residency Requirement:** Foreign nationals should live in Poland for a minimum of **185 days** per year due to either momentary or long-term residence licenses, or hold a legitimate student status (minimum 6 months of research studies).
- **Age Requirements:** The minimum age depends on the vehicle category. For a basic cars and truck (Category B), the applicant should be at least **18 years of ages** (though training can start 3 months prior to turning 18).

2. Step-by-Step Application Process

The journey to getting a Polish driving license follows a strict sequence. Missing out on a single step can cause frustrating delays.

Action A: Obtain a PESEL Number and Medical Check

Every candidate must have a Polish **PESEL number** (Personal Identification Number). Once gotten, the candidate must go to an authorized occupational medication medical professional for a brief medical examination. The physician checks eyesight, hearing, and basic health to issue a medical certificate verifying physical fitness to drive.

Step B: Get a Profil Kandydata na Kierowcę (PKK)

The **PKK (Driver Candidate Profile)** is an electronic identification number required before starting any driving lessons. To get a PKK, the candidate should submit specific files to the regional district workplace (*Starostostwo Powiatowe*, City Hall *Urząd Miasta*, or District Office *Urząd Dzielnicy* in Warsaw).

Required Documents for PKK:

- Completed application (available at the workplace or online).
- The medical certificate (Step A).
- One current photo (3.5 cm x 4.5 cm).
- Valid ID (Passport or Residence Card *Karta Pobytu*).
- Confirmation of legal house in Poland (e.g., lease arrangement, student ID, or house authorization).

Step C: Complete State-Approved Training

With the PKK number in hand, the candidate registers in a state-approved driving school (*Ośrodek Szkolenia Kierowców* - OSK). For a standard Category B license, the basic course includes:

- **30 hours of theoretical classes** (traffic rules, first aid, mechanics).
- **30 hours of useful driving lessons** behind the wheel with a trainer.

Note: While theoretical classes can typically be finished in English or via self-study (with the examination taken in English or Polish), useful lessons are usually carried out in Polish unless the applicant discovers a specialized multilingual trainer.

Step D: Pass the Internal Exams

Upon finishing the course, the driving school administers internal theoretical and practical exams. Passing these is necessary to unlock the official state exams.

3. Summary of Driving License Categories in Poland

Poland aligns its license categories with European Union standards. The table below details the most common categories, minimum age requirements, and what vehicles they allow you to drive.

Classification Minimum Age Description/ Vehicles Permitted **AM** 14 years Mopeds and light quad bikes (style speed not surpassing 45 km/h). **A1** 16 years Motorbikes with engine capacity as much as 125 cm three and power up to 11 kW. **A2** 18 years Motorcycles with power up to 35 kW. **A** 24 years (or 20 if holding A2 for 2 years) All motorbikes without power restrictions. **B 18 years Automobile with an optimum licensed mass not going beyond 3,500 kg, created for no greater than 8 guests plus the motorist (basic cars). B+E** 18 years Combination of a Category B vehicle and a trailer surpassing 750 kg. **C** 21 years Heavy items automobiles surpassing 3,500 kg.

4. The State Exams (WORD)

Once training is complete, the candidate needs to book and pass two state tests at the provincial traffic center (*Wojewódzki Ośrodek Ruchu Drogowego*-- WORD).

1. The Theoretical Exam

- **Format:** Computer-based test with 32 multiple-choice concerns.
- **Scoring:** Scored on a point system (max 74 points). A minimum of **68 points** is required to pass.
