FAQ About Dumpster Rental

What is the average cost of dumpster rental in San Francisco?

The average cost of dumpster rental in San Francisco typically ranges from $300 to $800, depending on the size of the dumpster and the rental duration. Additional fees may apply for weight overages or specific disposal needs.

How long can you rent a dumpster for?

Most dumpster rental companies in San Francisco offer rental periods ranging from one to seven days. Extended rentals are usually possible for an additional fee, allowing flexibility based on your project's timeline.

What size dumpster do I need for a house cleanout?

For a house cleanout, a 10 to 30-yard dumpster is usually recommended, depending on the volume of items. A 10-yard is suitable for smaller cleanouts, while larger ones may need a 20 or 30-yard dumpster.

Are there items that I can't throw in a dumpster?

Yes, hazardous materials like paint, batteries, and chemicals cannot be disposed of in dumpsters. Additionally, appliances and electronics often have specific disposal requirements. Always check with your rental service for guidelines.

How do I choose a dumpster rental company in San Francisco?

To choose a dumpster rental company in San Francisco, consider factors like pricing, service reviews, availability of various dumpster sizes, and customer service. Researching local options online can help you find the best fit.

- **10-Yard**: Ideal for small cleanouts, such as shed cleanups or minor renovations.
- **20-Yard**: Great for medium projects, like home remodels and larger debris removal.
- **30-Yard**: Best suited for extensive renovation projects or large-scale cleanouts, perfect for contractors.
- **40-Yard**: Suitable for major construction jobs or large commercial cleanups where substantial waste is generated.
