Can I still get old CS: GO cases as typical weekly drops?

No. Cases that have actually been moved to the "unusual drop" pool no longer drop often through regular weekly gameplay. Do brand-new cases look much better in CS2 compared to CS: GO?

Yes. Thanks to the shift to the Source 2 engine in CS2, brand-new cases include weapon surfaces designed with innovative lighting, reflections, and texture mapping. Metal skins, pearlescent effects, and worn textures look substantially more dynamic and practical.

Is it worth opening new cases?
