FAQ About Dumpster Rental

How long can I keep a dumpster rental?

Most dumpster rental companies in Birmingham, AL allow you to keep the dumpster for about 7 to 14 days. However, rental duration can vary, so it's best to confirm with your rental company. Extensions may be possible for an additional fee.

What size dumpster do I need for a home renovation?

For a home renovation, a 10 to 15 yard dumpster is usually sufficient for smaller projects. Larger renovations might require a 20 to 30 yard dumpster. It's important to assess the volume of debris to choose the right size for your needs.

What items are not allowed in a dumpster rental?

Commonly prohibited items in dumpster rentals include hazardous materials, batteries, tires, appliances, and certain electronics. Each rental company may have specific restrictions, so it's crucial to check their guidelines before disposing of items.

Do I need a permit for a dumpster rental in Birmingham, AL?

In Birmingham, AL, a permit is generally required for placing a dumpster on public property or the street. However, you may not need one for private property. It's best to consult with your rental company or local regulations to determine if a permit is necessary.

Choosing the Right Size Dumpster

Another essential aspect of dumpster rental near Birmingham is knowing which size dumpster best suits your needs. Curbside Dumpster Rental offers a variety of sizes, from small 10-yard containers for small cleanouts **dumpster pricing in Birmingham** to larger 40-yard dumpsters for major construction projects. Selecting the right size ensures that you have enough space to dispose of your waste without paying for more than you need. Our friendly staff will guide you through the choice process, taking Dumpster Rental near Birmingham into account the specific features of your project.

Environmental Responsibility

In today's world, staying environmentally responsible is more important than ever. When you opt for dumpster rental near Birmingham with Curbside Dumpster Rental, you can rest assured that your waste will be handled with the maximum care. We are committed to repurposing as much waste as possible, minimizing the burden on local landfills. Our team is committed to ensuring that your project not only meets your needs but also aligns with best practices for sustainability.
