## Often Asked Questions (FAQ)

### 1. Do I need CS: GO/CS2 Prime Status to secure free cases?

Yes. To be qualified for weekly case drops and product drops, your Steam account should have Prime Status. Non-prime accounts do not get random product drops or profile XP benefits that set off the weekly care bundle.

### 2. The number of complimentary cases can I get weekly?

Usually, players are restricted to **one case drop per week**, received upon leveling up your profile for the very first time that week. Nevertheless, rare random drops can sometimes happen at the end of a match, though this is statistically uncommon.

### 3. Should I open the totally free cases I get, or sell them?

From a mathematical viewpoint, **offering your cases on the Steam Market is generally more lucrative**. Case openings have a notoriously low return rate for uncommon items like knives or hidden skins. Offering cases assures you steady Steam wallet funds, which you can use to purchase the specific skins you desire.

### 4. Can I still get discontinued cases for free?

Yes. Although cases in the unusual drop pool no longer drop often, there is still a small possibility (around 1%) to get one at the end of a competitive or casual match, provided you <https://cs2skin.com/cases> have Prime Status.

## 5. Are external "totally free case generator" apps legit?

No. There is no software, code, or application that can produce free cases or items outside of the official video game client. Any website declaring to provide a "case generator" is a scam designed to take your Steam qualifications.
